

BuyUSDTP2P

India's Most Trusted P2P Crypto Exchange

No withdrawal restrictions. No complex processes.
Just simple, secure P2P trading.

SEED ROUND • \$1.5M

THE PROBLEM

Indian crypto traders are trapped in broken P2P platforms

No Crypto Withdrawals

Binance, WazirX & CoinDCX lock your crypto — you can't withdraw to your own wallet

Complex Deal Creation

Creating a P2P offer requires 10+ steps, KYC loops, and confusing interfaces

Hidden Fees & Spreads

Platforms charge 1-3% hidden spreads on top of maker/taker fees

Slow Settlements

Trades take 30-60 min to settle, with no real-time escrow visibility

MARKET OPPORTUNITY

India: 100M+ crypto users, \$240B annual volume
